What I would like to achieve is something like this: This is what I have got so far: Hello, this is a very large card

```
.container { padding-bottom: 50px; display: flex; align-items: center; justify-content: center; } .card { display: flex; flex-direction: column; align-items: center; justify-content: center; } .card-img { width: 100%; height: auto; margin: 80eaf3aba8
```

Swaen.com Last Bids Serial Key
